‘Sachi Mohabbat’ translates to ‘true love’ in Urdu, which emulates our remake of the dramatic love story that exists between Veer and Zaara in the classic Bollywood movie “Veer Zaara.” Torn apart by the cultural and religious conflicts between India and Pakistan, these two lovers find their way back to one another, discovering that neither has given up on their love. Feel this once in a lifetime story of undying love as you peruse the intimate moments captured in ‘Sachi Mohabbat.’
